Sir,

SECY LAW DEPT GOI 1942 OF MYSORE

Subject - Reduction of the toll on animal loads at Closepet Town Municipality - solicits sanction to the -

I have the honour to state that the levy of tolls on vehicles and animals that enter the Town is in force at Closepet Town Municipality from the year 1931-32 as per G O No L 3992-3 M1 28-30-92 dated 27/30-11-1931 The levy includes a toll of 0-0-6 on every animal load that enters the Town The article that comes under this head is mainly the fuel that Boja woddars bring on asses for selling in the Town

2 It is reported that the Woddars petitioned the Municipality representing the hardship caused to them by the recovery of toll on their assess and requested that some concession be shown to them The Municipal Council after considerable deliberations have finally resolved at their meeting held on 5-10-41 that the levy may be reduced to 0-0-3 per animal load It is reported that the change will result in a loss of about Rs 150/- per year to the Municipality, but considering the hardship to the poor woddars, the reduction in the rates is recommended by the Municipal Council

3 The Municipal Council have completed the required formalities for the reduction of the rates as per Sec 62 read with Sec 47 (2) of the Town Municipalities

Act of 1933 The notice calling for objections was published on 10-12-41 As no objections were received within the prescribed time, the Council have resolved in their meeting held on 10-1-1942, that sanction of Government may be obtained to the proposal

4 In these circumstances, I request that sanction of Government may kindly be obtained to ther reduction of the toll on animal loads from 0-0-6 pies to 0-0-3 pies per load as recommended by the Municipal Council
